Venue Questions

- Do they have your date and time available ?
- What are all the amenities that come with the space, like linen, place settings, chairs, catering options, desserts, cake ? How early can we start set up ?
- Can you have the ceremony and the reception in the same space or do they offer a designated spot for the ceremony ? How many hours are we given ?
- What are the capacity restrictions right now ?
- Do you give a discount if we have a weekday wedding or on a Sunday ? When is the deposit due ?
- How many events will be happening on that weekend or week that my wedding takes place?
- How many staff do you have for a reception per table ? (the server ratio should be 3-5 per table)
- What if I need to postpone or change the date ?
- Do you give hotel group rates or discounts? (if this is a hotel and all inclusive space they should offer this)

TIP: If you choose an all inclusive venue like a hotel it is usually the best price option because everything is included like catering, linens, chairs ect. You don't have to build out a space all you need to hire a florist and usually any other decor you might want and a planner. They may have a coordinator but they are there to do operations for that venue not just for your wedding.
